There is an update regarding *In re Turkey Antitrust Litigation*, No. 1:19-cv-08318, a class action lawsuit pending in the United States District Court for the Northern District of Illinois in which you previously received notice. The purpose of this new notice is to inform you of your rights related to new settlements (the “Settlements”) that have been reached on behalf of Direct Purchaser Plaintiffs with Defendants Agri Stats, Inc. (“Agri Stats”); House of Raeford Farms, Inc. (“House of Raeford”); Prestage Farms, Inc., Prestage Foods, Inc., and Prestage Farms of South Carolina, LLC (“Prestage” or “the Prestage Defendants”); Hormel Foods Corporation and Jennie-O Turkey Store, Inc. (“JOTS”); Butterball, LLC (“Butterball”), Foster Farms LLC and Foster Poultry Farms LLC (“Foster Farms” or “the Foster Farms Defendants”); and Perdue Farms, Inc. and Perdue Foods LLC (“Perdue” or “the Perdue Defendants”) (together, “the Settling Defendants”). If approved by the Court, these Settlements will fully resolve the lawsuit. **A more detailed notice is available at www.TurkeyLitigation.com.**

On January 22, 2025, the Court issued an order certifying a class of direct purchasers defined as: “[a]ll persons and entities who directly purchased fresh or frozen, uncooked turkey breast, ground turkey, or whole bird turkey products (the “Class Products”) from Defendants in the United States during the Class Period.” This class of direct purchasers is called the “Certified Class.” The Class Period is January 1, 2010, through December 31, 2016.

The Settlements are on behalf of the Certified Class and apply only to Agri Stats, House of Raeford, Prestage, Foster Farms, Perdue, JOTS, and Butterball. The House of Raeford Settlement requires that House of Raeford pay \$3,700,000. The Prestage Settlement requires that Prestage pay \$15,000,000. The JOTS Settlement requires that JOTS pay \$37,500,000. The Butterball Settlement requires that Butterball pay \$34,000,000. The Agri Stats Settlement requires that if Agri Stats ever again offers its reporting to the turkey industry (it stopped doing so after this lawsuit was filed), then Agri Stats will make extensive changes to its Agri Stats report. Agri Stats, House of Raeford, Foster Farms, Prestage, JOTS, and Butterball have also agreed to provide specific cooperation to Direct Purchaser Plaintiffs in the unlikely event one or more of the Settlements is not granted final approval and a trial occurs.

In July 2026, the Court granted summary judgment in favor of Foster Farms and Perdue and against the Certified Class. The Foster Farms and Perdue Settlements provide that neither the Certified Class nor Foster Farms or Perdue will seek to continue litigating this case, including but not limited to, appeals of the Court’s Summary Judgment decision. In exchange, the Certified Class and Foster Farms, and the Certified Class and Perdue each agree they will not seek or assert against each other claims for costs, fees, attorney’s fees, or any other form of recovery in connection with this case.

This notice provides Certified Class members with notice of the Settlements and the opportunity to object or submit a claim to receive money. Because the time to opt out of the Certified Class has already passed, you may not submit an exclusion request for the Settlements.

The United States District Court for the Northern District of Illinois (the “Court”) authorized this notice because you have a right to know about the proposed Settlements, and your rights and options, including the rights to object and submit a claim. Please review this notice and follow the instructions carefully.

WHO IS INCLUDED?

The Certified Class is defined as all persons and entities who directly purchased fresh or frozen, uncooked turkey breast, ground turkey, or whole bird turkey products (“Class Products”) from Defendants in the United States from January 1, 2010, through December 31, 2016 (“Class Period”).

The Class Products include fresh or frozen, uncooked turkey breast, ground turkey, or whole bird turkey products. Turkey breast products do not include: turkey breasts used to make ground turkey, turkey breast tenderloins, organic turkey breast products, No Antibiotics Ever (“NAE”) or Antibiotic-Free (“ABF”) turkey breast products, and cooked or ready-to-eat (“RTE”) turkey breast products. Ground turkey products do not include: ground turkey products made from turkey breasts; ground turkey products made from turkey wings; burgers, sausages, and patties; organic ground turkey products NAE or ABF ground turkey products; and cooked or RTE ground turkey products. Whole bird turkey products do not include: organic turkey whole bird products, NAE or ABF turkey whole bird products, and cooked or RTE turkey whole bird products.

Specifically excluded from the Certified Class are Defendants and their co-conspirators; the officers, directors or employees of any Defendant or co-conspirator; any entity in which any Defendant or their co-conspirator has a controlling interest; any entity with an

interest, controlling or non-controlling, in a Defendant or their co-conspirator; any entity where an individual owner, trust, and/or holding company also had an interest in any Defendant (whether as an individual, member, trust, trustee, legal representative, heir or assign) of greater than 5% during any year of the Class Period; any (in whole or in part) affiliate, legal representative, heir, or assign of any Defendant or their co-conspirator; any federal, state, or local governmental entities, any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, any juror assigned to this action; and any co-conspirator identified in this action. Anyone who previously excluded themselves from the Certified Class is also not included.

If you are not sure you are included, you can get more information, including a detailed notice, at www.TurkeyLitigation.com (the “settlement website”) or by calling toll-free 1-877-777-9637.

WHAT IS THIS LAWSUIT ABOUT?

The Defendants are producers of turkey products in the United States, as well as Agri Stats. Direct Purchaser Plaintiffs allege that Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of the Class Products beginning at least as early as January 1, 2010, and continuing through at least December 31, 2016, with the intent and expected result of increasing prices for those products in the United States, in violation of federal antitrust laws. They also allege that Agri Stats created reports that helped the Defendant turkey product producers do this. The Defendants deny they did anything wrong. The Court did not decide who is right.

The Court previously approved a settlement with Tyson Foods, Inc., Tyson Fresh Meats, Inc., Tyson Prepared Foods, Inc. and the Hillshire Brands Company (“Tyson”) in 2022 and a settlement with Cargill, Incorporated and Cargill Meat Solutions Corporation (“Cargill”) in 2025. Also, in 2025, the Court issued the order certifying a class of direct purchasers and approved settlements with Cooper Farms and Farbest Foods and a motion for attorneys’ fees, reimbursement of expenses, and class representative service awards. The total Certified Class settlement proceeds, including the Cooper Farms, Farbest Foods, House of Raeford, Prestage, JOTS, and Butterball Settlements are \$93,575,000. If the House of Raeford, Prestage, JOTS, and Butterball settlements are approved, the total settlement proceeds from all settlements (including the Tyson and Cargill settlements) will be \$130,700,000. However, approval of the Cargill settlement is currently being appealed. The Tyson and Cargill settlements will not be distributed until that appeal is resolved.

Now, Direct Purchaser Plaintiffs and the Settling Defendants have agreed to Settlements that will resolve the lawsuit against Agri Stats, House of Raeford, Prestage, Foster Farms, Perdue, JOTS, and Butterball, and provide benefits to the Certified Class. If granted final approval, these Settlements will fully resolve the litigation.

WHAT DO THE SETTLEMENTS PROVIDE?

Agri Stats already stopped producing reports about the turkey industry after this and other lawsuits were filed alleging that the reports were anti-competitive. However, because Agri Stats could resume these reports after this lawsuit ends, Direct Purchaser Plaintiffs negotiated extensive conduct reform (or changes to Agri Stats future reporting practices) to address concerns about the information that would be contained in any future reports published by Agri Stats concerning the turkey industry. In addition, Agri Stats has also agreed that, in the unlikely event one of the Settlements is not granted final approval and a trial occurs in this lawsuit, they will respond to specific requests for cooperation made by the Direct Purchaser Plaintiffs in their continued prosecution of the litigation. In return, the Certified Class members will release specific claims, called the “Released Claims,” against Agri Stats (as defined in the Agri Stats Settlement Agreement).

House of Raeford will pay \$3,700,000, Prestage will pay \$15,000,000, JOTS will pay \$37,500,000, and Butterball will pay \$34,000,000 if the Settlements are approved. In addition, House of Raeford, Prestage, JOTS, and Butterball have also agreed that, in the unlikely event one of the Settlements is not granted final approval and a trial occurs in this lawsuit, they will respond to specific requests for cooperation made by the Direct Purchaser Plaintiffs in their continued prosecution of the litigation. In exchange for the financial settlement and cooperation described above, the Certified Class is releasing claims against House of Raeford, Prestage, JOTS, and Butterball through January 30, 2025. The specific claims being released, called the “Released Claims,” are defined in the House of Raeford, Prestage, JOTS, and Butterball Settlement Agreements.

The Foster Farms and Perdue Settlements provide that neither the Direct Purchaser Plaintiffs nor Foster Farms or Perdue will seek to further adjudicate this case. In exchange, the Direct Purchaser Plaintiffs and Foster Farms, and the Direct Purchaser Plaintiffs and Perdue will not be able to recover any fees or costs against each other in conjunction with this case. Because the Certified Class’s claims were disposed of as to Perdue by the summary judgment order, there is no separate release of claims for the Foster Farms and Perdue Settlements.

The Settlement Agreements are available at the settlement website, www.TurkeyLitigation.com.

The first claims process for the \$37,125,000 from the Tyson and Cargill settlements is complete, but payments have not yet been paid due to an appeal of the Court’s final approval order.

The Certified Class settlement proceeds total \$93,575,000. In an upcoming motion, Plaintiffs and their Counsel will seek amounts not to exceed 33 1/3% of the settlement amounts in fees (including interest, net of costs); reimbursement of litigation expenses (not to exceed

\$6,000,000); and service awards for the two Class Representatives (not to exceed \$25,000 per Class Representative). You will not have to pay any fees or costs out-of-pocket. A copy of the motion by Co-Lead Counsel will be posted to the settlement website, www.TurkeyLitigation.com.

HOW CAN I FILE A CLAIM TO GET A PAYMENT FROM THE SETTLEMENTS?

To receive a payment from the Certified Class settlement proceeds, you must complete and submit a timely claim form online or by mail by [Month 00, 2026]. Even if you previously filed a claim as part of the settlement class, and if you did not exclude yourself from the Certified Class, you must complete and submit a claim form. If your claim is valid, you will get a proportional (or *pro rata*) payment from the net Certified Class settlement proceeds based on the amount of your approved Turkey Certified Class products during the Class Period.

You may use your unique identifier (or access code) listed on the top of the notice that was mailed to you to login at the settlement website, www.TurkeyLitigation.com and review your eligible purchase amounts. If you disagree with or want to supplement your purchase amounts, you can complete a purchase audit request form and provide supporting documentation by [Month 00, 2026].

WHAT ARE YOUR RIGHTS AND OPTIONS?

If you are a Certified Class member (and did not exclude yourself in 2025):

- You will be bound by the Settlements if they are approved. You are now able to participate in the Cooper Farms, Farbest Foods, House of Raeford, Prestage, JOTS, and Butterball Settlements.
- You may object to the Settlements by [Month 00, 2026]. The detailed notice and FAQs, available at www.TurkeyLitigation.com, explain how to object.

The Court will hold a hearing in this lawsuit on [Month 00, 2026], at [XX:00 x.m.] Central to consider whether to approve the Settlements with Agri Stats, House of Raeford, Prestage, Foster Farms, Perdue, JOTS, and Butterball and the requests for litigation expenses and service awards. You or your own lawyer may ask to speak at the hearing at your own expense.

This notice is only a summary. You can find more details about the Settlements at www.TurkeyLitigation.com or by calling toll-free 1-877-777-9637. Please do not contact the Court.
